GRADUATES.

Big Class To Be Turned Out This Year.

The High School Department of Public Schools Breaks all Records.

The graduating class of the Hopkinsville Public Schools this year is the largest in the history of the High School department. There will be 8 boys and 17 girls, a total of 25. Only one of a class of 26 failed to pass the final examination.

The list as made up is as follows:

MESSRS: John Ducker, Gant Galtner, William Grau, Fairleigh Kelly, Rodman Meacham, John McCarroll, John Trice, Rollin Trice.

MISSSES: Lillian Brasher, Mollie Center, Ruth Collins, Rosalind Frankel, Mary Goldthwaite, Joy Herndon, Willie Long, Virgie N. Vans, Addie May Price, Lady Ragdale, Fannie Reynolds, Annie Roche, Mary Soyars, Lucy Townes, Alice West.

The commencement exercises will be held May 31, at the Union Tabernacle, and the schools will formally close the following day, with interesting exercises at the school buildings. Following the issuing of diplomas on the night of May 31st, the Alumnae Society will give the new members a reception, at some place not yet announced.

BAPTISTS ARE ASSEMBLING.

Nearly One Thousand at Hot Springs for the Annual Convention To-Morrow.

Hot Springs, Ark., May 9.—Almost 1,000 delegates to the Southern Baptist Convention, which will be in session here during the next few days, have already arrived. Fourteen States are represented in the gathering. The Eastman Hotel, where the convention will hold its sessions, is profusely enriched with bunting and the stars and stripes in honor of the big event.

Ex-Gov. Northen, of Georgia, President of the convention, was at the head of a large delegation which arrived from that State. Many other representative men of the South will take part in the proceedings. Great crowds of visitors are here or on their way.

The convention proper does not open until Friday morning, but the Baptists Young People's Union begins work to-morrow morning. In the afternoon the American Baptist Educational Society will begin its sessions.

The convention will hold three sessions daily until its business is ended on Tuesday next.

The Rev. Dr. J. J. Taylor, of Virginia, or the Rev. Dr. A. J. Barton, of Arkansas, will preach the forty-fifth annual sermon.

PHYSICIAN PARALYZED.

Dwelling Destroyed, But Part of the Furniture Saved.

Lafayette, Ky., May 7.—Dinah Farrar, one of our most respectable colored citizens, had the misfortune to lose her dwelling by fire this morning about 9 o'clock. Origin of the fire a mystery. A good portion of the furniture was saved. Loss about \$400 or \$500. No insurance. She has the sympathy of the entire community, and we expect sympathy will be expressed in a substantial way.

Dr. C. J. Northington had a stroke of paralysis last night and is not expected to live.

Rev. Edwin Drury closed his series of lectures at the Catholic church Wednesday night.

HOWARD JAILED.

Will Also Put up a Plea of Not Guilty.

His Defense Will Be An Alibi Established By Many Witnesses.

Frankfort, May 10.—James Howard, of Clay county, indicted for the murder of William Goebel, was delivered at the Franklin county jail last evening by Sheriff White, of Clay county. Howard protests his innocence and expects to prove an alibi. He says he was not in the Statehouse until the afternoon after the assassination. The Goebel brothers had offered a personal reward for the arrest of Howard and it will be paid to Sheriff White if he will accept.

The Goebel Reward Commission held a meeting at Frankfort yesterday and approved some minor accounts. The total expenses of the commission to date do not exceed \$2,500.

It is said here that the attorneys for the prosecution have decided to elect to try the indictment against Youtsey first among the cases taken to Scott county on a change of venue and set for trial there July 9. It is believed here Youtsey now realizes that he has been deserted by Taylor and Finley and other leaders and that he will tell all he knows when he goes on the stand. If he does tell, it is the opinion here the biggest sensation of the trial will be developed.

Mrs. Youtsey has left here for Georgetown, where she will remain the guest of friends till the trial is over.

CRENSHAW-DAWSON.

Popular Young People of Roaring Springs Marry.

Mr. Albert Crenshaw and Miss Idyle Dawson, a popular young couple living near Roaring Springs, were married last evening at 8 o'clock. The ceremony was performed by Eld. T. D. Moore, of this city, in the Christian church at Roaring Springs, in the presence of a large number of friends and relatives of the contracting parties.

An elegant reception followed at the residence of Mrs. Emma Crenshaw, the groom's mother.

The groom is a son of the late Al. Crenshaw and is a nephew of Senator R. C. Crenshaw. He is a prosperous farmer and a very popular young man.

His bride is a daughter of Mr. Wick Dawson and is a lady possessed of much beauty and many accomplishments.

FOOL HARDY TOURISTS.

Four Men Venture up Mount Vesuvius and Are Caught by an Eruption.

Naples, May 9.—The cable car service up Mount Vesuvius has been suspended in consequence of the eruption. Four Englishmen attempted to ascend the mountain on foot, and, eluding the vigilance of the carabinieri, who form a cordon at a height beyond which the ascent is considered unsafe, they approached the summit. Suddenly the volcano belched forth a stream of lava and large stones, which descended upon the foolhardy tourists, who were rescued in a terribly bruised and battered condition, and removed to the hospital.

The activity of Vesuvius is becoming more formidable, and the observatory officials announce that the seismic instruments are extremely agitated. A thick column of smoke is rising from the crater and the earth shocks are violent.

Lightning struck a tree in Dr. Sargent's front yard so close to the house that Dr. and Mrs. Sargent both were shocked, but not hurt.

KILLED BY LIGHTNING.

Prominent Young Farmer Struck Down in Warren County.

Bowling Green, Ky., May 9.—C. J. Piper, a young farmer of the Hardcastle vicinity, in this county, was killed by lightning yesterday afternoon. He had been working four mules to a harrow in the field, and seeing the approaching storm unhitched them and started to the barn riding on one of the animals. The young man was struck on the head and the skin split and his body blackened. The mule he was riding was also instantly killed. The young man was well known and liked by everybody.

Another Fair.
Hopkins county will have another fair this year. The date of the meeting will probably be the first week of August. Kemp's Wild West Show, with many new features, has been engaged as the principal special attraction.

Major Charles C. Ivey, of Washington, D. C., formerly of the Orphan Brigade, writes that the Confederate Veterans Association of Washington, of which General Joseph Wheeler and eleven other Confederate generals are members, will come on a special train to attend the Reunion at Louisville, May 30-31, June 1-2-3.

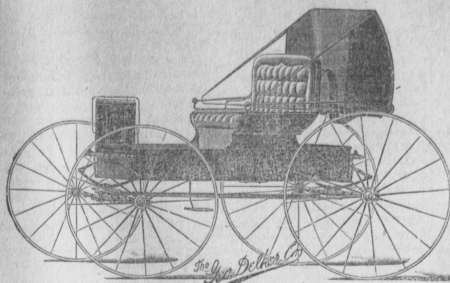

Kentucky veterans are taking a great interest in the Confederate Reunion in Louisville, May 30, June 1. Gen. J. B. Briggs, commanding the Second Division, will have 700 men in uniform there.

O'er the mead the cattle roam.
In the spring your blood is freighted
With the germs that cause disease.
Humors, boils, are designated.

ANNOUNCEMENT.

We are authorized to announce
HON. HENRY D. ALLEN.
of Union county, as a candidate for reelection
to Congress, subject to the action of the
Democratic party of the Second District.

Mt. Vesuvius and Bob Slack are
both in a state of eruption again.

Even Hanna places Kentucky in
the Democratic column this year.

The decision from Supreme Court
at Washington is expected next
Monday.

The more we study the Owens-
boro article the better we like the
Hopkinsville Republicans.

Jno. R. McLean has declared for
Bryan, in spite of the candidacy of
his brother-in-law, Admiral Dewey.

The capture of Jim Howard makes
seven of the first batch of ten sus-
pects now in jail. Six of the men
indicted, are still at large.

Gen. Joe Wheeler will not be a
candidate for Congress again in his
old district and editor J. E. Brown,
of Scottsboro, is a candidate to fill
the vacancy.

The death of State Senator T. M.
Hill, of Covington, leaves still an-
other vacancy in the general as-
sembly to be filled before an extra
session can be held.

Richard Yates, son of Dick Yates,
the famous war governor of Illinois,
has been nominated for Governor by
the Illinois Republicans. He is but
39 years of age and is at present
collector of Internal Revenue for
the Springfield district.

Admiral Dorey and party, reach-
ed Nashville: Wednesday afternoon
and a grand floral parade took place
yesterday in the Admiral's honor.
In all the cities he has visited the
distinguished officer has been given
the warmest of welcomes.

Jailer Reid, of Scott county, assur-
ed the Goebel suspects upon their
arrival that he was "no d—d Goeb-
elite." The outside world was
fully hoped that Bill Owens was
the only one of his kind in Scott
county.

Charles Finley has found Indi-
anapolis to public a place for
him as the day of final judgment
draws close to hand and has skipped
out from his place of refuge. As he
left no address, the supposition is
that he is gone for good this time.

Editor A. B. White, collector of
Internal Revenue for West Vir-
ginia, will be the Republican can-
didate for Governor of his state this
year. He is a well known news-
paper man of Parkersburg, an ex-
president of the National Editorial
Association.

Aguinaldo is not dead by a long
shot. He has turned up in the
Northern part of Luzon with a
fresh army and Gen. Young is
frantically calling for re-inforce-
ments to suppress him some more.
The Philippines are again active
throughout the entire archipelago.

Deafness Cannot Be Cured
by local applications, as they cannot
reach the diseased portion of the ear.
There is only one way to cure deaf-
ness, and that is by constitutional
remedies. Deafness is caused by an
inflamed condition of the mucous lin-
ing of the Eustachian Tube. When
this tube gets inflamed you have a
rumbling sound or imperfect hearing,
and when it is entirely closed deaf-
ness is the result, and unless the in-
flammation can be taken out and this
tube restored to its normal condition,
hearing will be destroyed forever.
Cases out of ten are caused by catarrh,
which is nothing but an inflamed con-
dition of the mucous surfaces.
We will give you \$100.00 Dollars
for any case of Deafness (caused
by catarrh) that can not be cured
by Hall's Catarrh Cure. Send for
circulars, free.

THERE IS BUT ONE NIAGARA AND BUT ONE Hood's Sarsaparilla

Grand as the thunder of Niagara is the universal song of the cured
that Hood's Sarsaparilla is
AMERICA'S GREATEST BLOOD MEDICINE.
Hood's purifies and enriches the blood as nothing else can.

Mr. G. W. Southall is attending
the middle-of-the-road Populist con-
vention in Cincinnati this week.
Senator R. C. Crenshaw was a dele-
gate to the regular Populist con-
vention at Sioux Falls, but did not
attend. The Populist party of
Christian county does not number
as many as 100 votes. Nearly all
of the 500 former Populists followed
their leaders into the Democratic
party in 1896.

The administration does not get
out of one scandal before it is head
over heels in another. Neeley, the
postal thief, sent to Havana to
teach the Cubans Republicanism,
out-Weyler Weyler in his pam-
let days, by stealing an average
of \$12,000 a month for eight months,
before he suffered himself to get
caught.

The five men under indictment for
conspiracy were removed from
Frankfort to the Georgetown jail
Tuesday, to await their trials July
9. The prosecution will put Yout-
sey on trial first and give him a
chance to tell his story on the wit-
ness stand before the rest of the
gang are tried.

It is claimed by those in a posi-
tion to know, that ten or twelve
of the leading trusts have promised
a campaign fund this year amount-
ing to \$6,200,000. The Republicans
are really alarmed over the outlook
and will turn Heaven and earth to
keep Bryan from being elected.

FANCY FOWLS.

The South's Leading Poultry Paper.

It is not generally known to those
outside of the circle of fanciers, but
it is nevertheless true that the lead-
ing poultry paper of the states South
of the Ohio and East of the Missis-
sippi is published at Hopkinsville.
Ky. Starting three years ago as a
small monthly of 16 pages, it has
grown and developed into a hand-
some illustrated monthly of 36 to 40
pages, with an advertising patron-
age of 20 pages and a circulation
covering the entire South. It is the
most phenomenally successful paper
of the kind ever started in the South.
It is called FANCY FOWLS and is
edited by Chas. M. Meacham. Every
poultry breeder should have it.
The subscription is only 25 cents a
year. A free sample copy will be
sent on application.

Henderson, Ky., May 5.—The

three years, died this morning at
his home near Zion, this county. He

Baptist church for fifty-six years.

record, "I pronounce you husband

It has been decided to run an-
other seashore special to Old Point
Comfort this season.

pleasure by the large number of
people who are anticipating a visit
to the Atlantic coast during the
heated term. The trip this year
will be made under the same con-
ditions as those of former years,
and while the date has not yet been
definitely decided upon, the ex-
cursion will probably be run about
the first week in August.

THE NEGRO PROBLEM.

Race Conditions Discussed By the Southern Society at Montgomery.

Montgomery, Ala., May 5.—The
race conference was attended by a
representative audience to-day, and
the subject discussed. The fran-
chise in the South got down to the
very root of the whole purpose of
the meeting and was ably and eloquent-
ly discussed by Mayor Waddell,
of Wilmington, N. C., who took de-
cided ground for the disenfranchise-
ment of the negro, and gave much
personal observation and knowl-
edge of the ruinous effects of the
sufrage upon the negro in his State.
He was cheered and had the sym-
pathy of the audience.

Hilary A. Herbert was elected
President of the Conference, with
vice-presidents from all the States
represented. Rev. Chas. E. Craik
is the vice-President for Kentucky.
Many of the ablest men in the
South are in attendance.

MONEY IN SHEEP.

Fine Record of a Small Flock of Cotswolds.

Mr. J. F. Garnett, of The Square,
sheered his sheep this week and
from one Cotswold ram took a fleece
of 24 pounds. This wool he sold at
22 1/2 cents, or \$5.40 for the one fleece.
He had a flock of only 18 and they
averaged a little more than 12
pounds. The wool from the
sheep brought him \$49.50, and he
still has on hand the sheep and
twenty odd lambs.

FIGHT TONIGHT.

Battle For Championship Comes Off At Coney Island.

The heavy-weight championship battle between James J. Jeffries, who now wears the belt, and James J. Corbett, ex-champion, will take place at Coney Island tonight. The two men have been training for the last two months, and announce that they are in perfect physical condition for the event. Corbett is confident that he will knock the boiler maker out. He claims to be in the pink of condition and expects to regain the championship title, which he lost to "Lanky Bob." Jeffries, who has been receiving his preparation at Asbury Park, N. Y., has also expressed confidence in his ability to knock out his man with ease.

There seems to be a wide difference of opinion between the two heavy-weights as to what the result will be and if the fight does not result in a draw, then one or the other of the pugilists has overestimated his ability or is not a good guesser.

ST. LOUIS STRIKE.

More Than 3000 Street-Car Men Go Out.

Practically every street car line in St. Louis was tied up Tuesday by a strike of 3,325 employees of the St. Louis Transit Company. Only about 275 men remained on duty, and the effort to run cars brought on a series of riots, in which one man was shot and several others hurt. The strikers attacked every car that was sent out, and in some instances the police were compelled to resort to rough methods to disperse the crowds. Numerous arrests were made.

ST. LOUIS STRIKE.

Cars Can Only Be Run Under Public Protection.

St. Louis, May 9.—The second day of the great street railway strike was as quiet and uneventful as the first was turbulent and riotous.

Under heavy police protection, a few street cars were operated yesterday, but the situation was not relieved. Both sides are confident and determined. There was some disorder. One car was wrecked by a dynamite explosion. A crowd which attacked another car was fired upon, and one man was killed. The citizens have pledged their support to Mayor Zeligheim in preserving the peace. Five hundred deputy sheriffs have been sworn in to aid the police. Theaters are deserted, and business is greatly interfered with. Twenty-six persons were arrested Tuesday for stoning cars, assaulting street employees or interfering with their work.

It is estimated that the strike is costing both the street car companies and employees \$25,000.

He Dropped Dead.

Clarksville, Tenn., May 9.—George Ellis, aged forty years, well known in this city, for years employed by the street committee, dropped dead to-day while in the discharge of his duties on Front street.

REPUBLICAN THIEF

Steals \$80,000 in a Few Short Months.

Chas. F. Neely Gives the Administration Some Pointers on How to Rob Islanders.

Washington, May 8.—The Post-office Department has a report from Agents Seybolt and Neal as to the amount of postal revenues in the hands of Chas. F. Neely, the Chief of the Bureau of Finance for the Postal Department in Cuba, on April 23. At that time, according to these reports, he apparently accounted for all sums due the Government, and it is said by Post-office Department officials that if Neely embezzled postal funds he must have juggled the figures and made false entries, or else took the money immediately after the balance was struck. According to the figures at command here, however, there is the amount of postal order funds as given by Mr. Neely and the amount due the Government. It was stated that he had on April 23, \$119,930, while the books here indicate that he should have had approximately \$200,000.

The only matter of interest which came before to-day's Cabinet meeting was the alleged heavy shortage in the accounts of Neely. Neely has been arrested in Rochester, N. Y., and the question arose as to whether the United States or Cuba was responsible for the amount of defalcation. It seemed to be the opinion of all the members present that as Neely was appointed by the United States and that in administering the affairs of the island this Government is acting in a sense as a trustee, it therefore is responsible for the shortage and can proceed against Neely's bondsmen for the amount involved. It was practically settled, too, that Neely would be taken back to Havana for trial before a civil tribunal. It is expected that the prisoner's counsel will contest any effort to return him to Havana, but it is the opinion of the Attorney General that it can and should be done.

Twelve Thousand a Month.

Havana, May 8.—The postal frauds have been the principal topic of conversation in Havana to-day, although as yet the papers have scarcely alluded to the matter. The Department of Posts admits a shortage of \$75,000, but further investigation has brought to light the fact that in July of last year the receipts showed a falling off of about \$12,000 from the average of the month previous, and that this shortage has been kept up ever since.

The Havana receipts amounted to about \$13,000 a month, according to the books, but the other offices of the island showed only \$3,000 or \$4,000, amounts palpably absurd. It is astonishing that the shortage was not discovered before, because the receipts at Santiago or Matanzas alone should amount to nearly \$4,000.

Unknown Friend Gave Bail.

New York, May 8.—Much interest was shown at the Federal building to-day in regard to the cash bail deposited yesterday by C. F. Neely, of the Cuban Postoffice Department, who was arrested on Sunday at Rochester on a charge of embezzling \$36,000 of Government funds. The \$20,000 bail required was deposited in the form of two new \$10,000 gold certificates. Neither Neely nor his counsel, J. D. Lindsay, would make any statement in regard to where this money came from, except that it was furnished by "friends of Mr. Neely."

Republican Nominations.

The Republican convention at Henderson concluded its labors Tuesday afternoon at 5 o'clock. The nominees were as follows: Delegates to the National convention—E. T. Franks and Dr. W. P. Ross, of Hopkins county. Alternates—M. D. Thornberry, of Webster county, and H. S. Smith, col. of Christian county. Elector—E. D. McEuen, of McLean county. Assistant elector—Wyatt Watt, col. of Christian county. Chairman of Congressional committee—N. B. Chambers, of Hancock county.

SAM GAINES.

Will Attend The Confederate Reunion.

The Tattler in the Times Has This About Capt. Sam M. Gaines.

"Among the veterans who will come here to the reunion none will be more warmly welcomed than Capt. Sam M. Gaines, who, with his wife, will be the guest of his old friend, Col. E. Polk Johnson. Capt. Gaines lived at Hopkinsville once, not as a professional, but as an amateur, as he sought no asylum there. He ran a newspaper, one of the brightest of the State, and then took up his residence at Frankfort. There was not a more hospitable home in all South Frankfort than his. The Wits, Apollo, the muses and graces, the very salt of the town came to a head under his roof. Sam Gaines lived in an atmosphere of music, poetry and flowers, for in those arcaid days there were not more than three people in Frankfort who didn't write poetry, and poets could be distinguished there by a mere glance at them. One woman saw a man driving a milk wagon once and stopped him to tell him he was a poet, she saw it in his eye, and he was disgracing himself driving the wagon. The unincubated minstrel was so mortified that he threw up his job and became famous as an artist—he was assistant in a photograph gallery. 'But that's another thing,' as Rudyard remarks. To return to Sam Gaines. Going to his house was like a visit to Parnassus. There was Col. Stoddard Johnson, who came over from under his own vine and fig tree laden with tuberoses for the ladies; Col. Charlie Bowman, a Kentucky Bayard; Robert Burns Wilson, Mrs. Caswell Bennett, a host of brilliant and gifted people and mint juleps would be brewed and there would be songs and laughter under the green shadows of the moon-silvered boughs.

Sam Gaines wrote poetry himself, and while it was not regarded as a crime in Frankfort his fellow scribes throughout the state twitted him with it and his lyric, 'The Viola She wore,' went the rounds. Music, however, was his hobby."

Has Enough Republicanism.

No Democrat who voted against Mr. Goebel last year can afford to sulk or to refuse active, hearty support to our next president, William J. Bryan. Very probably you may not like this advice, especially if you belong to the hotheads. But hotheads never win battles. We tried Republicans in both national and state affairs. Elect Bryan and settle our Kentucky matters afterwards.—Paducah News.

Passed Over His Body.

Mr. Rufus Parish, an aged North Christian farmer, was thrown from his wagon Tuesday, as he was en route to this city, and pretty badly injured. The loaded wagon passed over Mr. Parish's body and it is feared that he was internally injured.

MY BEAUTIFUL BABY BOY

Weak Women Made Happy by Lydia E. Pinkham's Vegetable Compound—Letters from Two Who Now Have Children.

"DEAR MRS. PINKHAM:—It was my ardent desire to have a child. I had been married three years and was childless, so wrote to you to find out the reason. After following your kind advice and taking Lydia E. Pinkham's Vegetable Compound, I became the mother of a beautiful baby boy, the joy of our home. He is a fat, healthy baby, thanks to your medicine."—Mrs. MINNA PARKER, Roscoe, N. Y.

From Grateful Mrs. Lane. "DEAR MRS. PINKHAM:—I wrote you a letter some time ago, stating my case to you."

"I had pains through my bowels, headache, and backache, felt tired and sleepy all the time, was troubled with the whites. I followed your advice, took your Vegetable Compound, and it did me lots of good. I now have a baby girl. I certainly believe I would have miscarried had it not been for Lydia E. Pinkham's Vegetable Compound. I had a very easy time; I was sick only a short time. I think your medicine is a godsend to women in the condition in which I was. I recommend it to all as the best medicine for women."—Mrs. MARY LANE, Coytes, Tenn.

LITERARY SOCIETY.

A Very Pleasant Meeting Held With Judge Hanbery.

The Hopkinsville Literary Society met Tuesday night at Judge J. T. Hanbery's, with about 20 members present.

In the absence of President W. T. Tandy, Vice-President John Feland presided. Rev. F. L. Goff's paper on "The Westminster confession" was a very able and entertaining discussion of Presbyterian doctrines and differences. Mr. A. W. Wood read a carefully prepared and instructive article on "The weather bureau and signal service system." Mr. T. C. Underwood in a review of current literature gave many interesting bits of information about books and writers.

At the conclusion of the regular program, refreshments of the most delicious character were served by Mrs. Hanbery. The meeting was one of the pleasantest held. The next meeting will be at Mr. Chas. M. Meacham's the second Tuesday in June, at which time it will be decided whether or not the society will adjourn for the summer.

MARKET ACTIVE.

And More Regular Than Last Week—Prices Good.

Very little fine leaf and selections appeared on the breaks this week, but a few hogheads commanded prices as high as \$11. The market was active, however, and more regular than last week, prices being generally accepted by sellers, clean sales prevailing throughout. The offerings amounted to something over 600 hogheads. Sales about six hundred. The following quotations fairly represented our market for the week: good leaf, \$11 to \$8; common to medium leaf, \$8 to \$5; lugs from \$5 to \$3.50. Receipts are falling off somewhat, the bulk of the crop of '99 having been delivered. Nothing to report in the loose market.

PLUGGED IN THE FACE.

Mysterious Shooting Takes Place in South Christian.

Henry Pattin, col., was shot in the face Tuesday evening. The shooting occurred on the Lafayette and Roaring Springs road, not far from the latter place. Pattin claims that some one whose name was not given shot him accidentally. The ball entered the right cheek and passing through lodged behind the ear. The wound is considered very serious. No further particulars of the affair could be learned.

Totally Paralyzed.

Mr. Wm. Fortner, of near Kelly, has been totally paralyzed for several days, and owing to his advanced age, his recovery is very doubtful.

Opened a Business College in Montgomery, May 1—Now Has 8 Colleges.

Prof. J. F. Draughon, whose name has become famous throughout the Union as a result of the merits of four text-books on book-keeping, of which he is the author, and the wonderful success of Draughon's Practical Business Colleges at St. Louis, Nashville, Savannah, Galveston, Ft. Worth, Little Rock and Shreveport, opened a Business College in Montgomery, Ala., May 1st.

It is conceded by all who are in a position to know that Prof. Draughon's great success in the business college work has been, by far, greater than that of any one else engaged in the same line of business. His superior course of instruction, and his special facilities for securing positions are almost offset to competition. His colleges are strongly endorsed by business men.

A number of Christian county pupils have graduated from Prof. Draughon's Nashville College and all of them were successful in securing good positions.

If you are interested in a good business education and a good position, write for 164-page catalogue, it will be sent free. Address, Draughon's Business College at either place.

CHICAGO THE BASE.

Democrats and Republicans to Have National Headquarters There.

Chicago, May 8.—It has been practically decided that the base of operations in the coming campaign will be Chicago. The Republicans favor a repetition of the former arrangements and the Democrats will doubtless find it convenient to keep near the headquarters of its enemy.

GIRL'S FAST.

Has Continued Seventeen Weeks, and She is Near Death.

Kokomo, Ind., May 6.—Miss Pearl Curry, the Howard County girl who lives without eating has now entered the seventh week of fasting. More than four months ago Miss Curry refused to partake of nourishment, and in the interval of 120 days has allowed nothing to pass her lips except an occasional bit of vinegar or lemon juice and salt, tasting nothing but acids of this character. The long fast has brought on terrible inflammation of the stomach, and she could not now retain food if induced to take it. On beginning the strange fast, Miss Curry ceased talking, refusing to discuss her condition with the doctors. A year ago she said her grave would be decorated next Memorial Day. This will likely prove true, as she cannot live another week.

The Alkathest.
The Alkathest, in its quest for literature worthy representative of the South, has found in Capt. M. P. Uilas, the brave old Confederate naval officer, a rare fund of thrilling stories of those stormy days of '64, when blockade runners crept and dashed through triple lines of Federal warships, anchored with steam ever up before Charleston and Wilmington. In the April number, too, is a romantic love story of modern complications, the scene being laid in Atlanta, from the pen of a new Southern writer, Miss Uranie Legs, of Savannah. Another unusual bit of fiction in this number is a story of the frontier South-West, written by Mr. McKenize, who, himself, was once a tenderfoot in a New Mexican mining camp. Several Southern writers have written delicate thoughtful verses for the Alkathest reader, and W. T. Hale, of Nashville, has contributed a sympathetic study of Watson and his poetry. Mrs. McConnell, of Atlanta, writes encouragingly of the many business opportunities opening to Southern women. The various departments of the Alkathest are well sustained, the keen survey of new literature and of literary news being especially good. The Alkathest is winning a deserved reputation as the literary censor of Dixie.

Miss Marion Faxon, the daughter of Hon. John W. Faxon, a prominent Confederate veteran and vice-president of the First National Bank of Chattanooga, has been appointed by Gov. McMillin and Gen. John B. Gordon, maid of honor from Tennessee to the Confederate Reunion in Louisville, May 30, June 1, 2, 3. She has notified the governor of her acceptance.

EXCURSION RATES TO AS WELL AS FROM THE EAST

The Rock Island Springs a Surprise on the Colorado Lines at

To-day's Meeting.

The Trans-Missouri Committee of the Western Passenger Association is holding its annual meeting at the Brown Palace hotel. A surprise was sprung on the Committee at the morning session by General Passenger Agent Sebastian, of the Rock Island. Beginning about June 20, the Rock Island will run four excursions from Chicago, St. Louis, Kansas City and Omaha to Colorado common points, making a rate of one fare plus \$2 for the round trip and return limit of October 31st on the tickets. These excursions run from Denver, Colorado Springs and Pueblo to the eastern points, the same rate prevailing, thus enabling Colorado people desiring to do so to make tours East during the summer, with the same advantages granted Eastern tourists who come west.

"Prevention is the best medicine," You can prevent sickness and cure tired feeling and all blood humors by taking Hood's Sarsaparilla.

Some Phenomenal Premiums.

Probably the largest premiums of the character, ever offered, are those on this year's list of the Southern Inter-State Fair for grain, hay, potatoes, pumpkins, etc. Two hundred and fifty dollars is offered for the best bushel of wheat; \$250 for the best bushel of oats, and \$250 for the best 20 ears of corn. The same sum is also offered for the best bale of hay, the best bushel of potatoes, and the largest pumpkin.

This radical departure from the customary amounts offered for these products has been decided upon by the Fair Association as a means of awakening general interest in the cultivation of grain, and other held crops, in the Southern States. The contest, however, will not be confined to Southern exhibitors; it being the belief of the management that the best way to develop Southern agriculture is to let all sections compete, thus illustrating, by comparison, what can be accomplished with intelligent effort. The Association will not charge for space or entrance in this contest.

The Southern Inter-State Fair will be held in Atlanta, Ga., Oct. 10th to 27th, and Secretary T. H. Martin will be glad to supply any further information desired by our readers regarding these Giant Premiums; for this is the name which the Association has given

"The blood is the life." Science has never gone beyond that simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is bad, it imparts its impure character to the body which suffers through disease. The brain is also clouded, the mind and judgment are affected, and many an evil deed or impure thought may be directly traced to the impurity of the blood. No one can be well balanced in mind and body whose blood is impure. No blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. When the blood is pure, body and brain are alike healthy and life becomes a daily happiness.

Free—Dr. Pierce's Common Sense Medical Adviser, 1000 pages, 700 illustrations, is sent free on receipt of stamps to defray expense of mailing only. Send 21 one-cent stamps for paper covers or 31 stamps for cloth, to Dr. R. V. Pierce, 663 Main Street, Buffalo, N. Y.
